# YOUNG POWER VOL. 2

STUDY VISIT

3 – 8 April 2022  
Kutaisi, Georgia

## Description, aims and objectives

Project YOUng Power is focused on improving the conditions for social entrepreneurship in 6 countries - Slovakia, Czech Republic, Poland, Hungary, Armenia and Georgia.

This study visit aims to facilitate experience exchange among Georgia, V4 countries, and Armenia and highlight Georgia's successful examples of social entrepreneurship. Participants will visit 8 social entrepreneurship projects in and around Kutaisi to learn about and discuss their mission, strategy, implementation, processes and how they produce impact on the local communities. They will also meet with local policymakers to talk about their approach to facilitating and enhancing social entrepreneurship in the region.

The exact schedule is currently being finalised and will be provided later.
